Investor Presentation

This investor presentation is dated 18 February 2025 and has been prepared by Westgold Resources Limited (ASX: WGX, TSX:WGX) (**Westgold**) based on information available to it at the time of preparing this presentation. No representation or warranty, express or implied, is made as to the fairness, accuracy, completeness or correctness of the information, opinions and conclusions contained in this presentation.

To the maximum extent permitted by law, none of Westgold, its directors, employees or agents, advisers, nor any other person, accepts any liability, including, without limitation, any liability arising from fault or negligence on the part of any of them or any other person, for any loss arising from the use of this presentation or its contents or otherwise arising in connection with it.

Not an Offer

This presentation is not an offer, invitation, solicitation or other recommendation with respect to the subscription for, purchase or sale of any security, and neither this presentation nor anything in it shall form the basis of any contract or commitment whatsoever.

This presentation has been prepared for publication in Australia and may not be released to US wire services or distributed in the United States. This presentation does not constitute an offer to sell, or a solicitation of an offer to buy, securities in the United States or any other jurisdiction. Any securities described in this presentation have not been, and will not be, registered under the US Securities Act of 1933 and may not be offered or sold in the United States except in transactions registered under the US Securities Act or exempt from, or not subject to, the registration of the US Securities Act and applicable US state securities laws.

Summary Information

By reviewing or retaining these materials, or attending or participating in this presentation, you acknowledge and represent that you have read, understood and accepted the terms of this “Important Notices and Disclaimer”. This presentation contains summary information about Westgold and its activities current only at the date of this presentation. This presentation is for information purposes only. The information in the presentation is of a general nature only and does not purport to be complete. This presentation should be read in conjunction with Westgold’s periodic and continuous disclosure announcements lodged with the Australian Securities Exchange (**ASX**), which are available at www.asx.com.au and on Westgold’s website at www.westgold.com.au, and in Canada under Westgold’s profile on SEDAR+ at www.sedarplus.ca. Certain information in this presentation may have been obtained from research, surveys or studies conducted by third parties, including industry or general publications. Neither Westgold nor its representatives have independently verified any such information sourced from third parties or industry or general publications.

Not Investment Advice

This presentation does not constitute in any way an offer or invitation to subscribe for securities in Westgold pursuant to the Corporations Act 2001 (Cth). This presentation does not constitute investment advice and has been prepared by Westgold without taking into account the recipient’s investment objectives, financial circumstances or particular needs. Each recipient must make his/her own independent assessment and investigation of Westgold and its business and assets when deciding if an investment is appropriate and should not rely on any statement or the adequacy and accuracy of any information. This presentation is in summary form and does not purpose to be exhaustive. Westgold makes no representation or warranty (either expressed or implied) as to the accuracy, reliability or completeness of the information in this presentation. Westgold and its respective directors, employees, agents and consultants shall have no liability (including liability to any person by reason of negligence or negligent misstatement) for any statements, opinions, information or matters (express or implied) arising out of, contained in or derived from, or for any omissions from the presentation, except liability under statute that cannot be excluded.

Important Notices and Disclaimer

Forward-looking Statements

This document contains “forward-looking information” and “forward-looking statements” which are based on the assumptions, estimates, analysis and opinions of management made in light of its experience and its perception of trends, current conditions and expected developments, as well as other factors that management of Westgold believes to be relevant and reasonable in the circumstances at the date that such statements are made, but which may prove to be incorrect. Forward-looking statements include statements that are predictive in nature, depend upon or refer to future events or conditions, or include words such as ‘expects’, ‘anticipates’, ‘plans’, ‘believes’, ‘estimates’, ‘seeks’, ‘intends’, ‘targets’, ‘projects’, ‘forecasts’, or negative versions thereof and other similar expressions, or future or conditional verbs such as ‘may’, ‘will’, ‘should’, ‘would’ and ‘could’. Although management believes that the assumptions made by Westgold and the expectations represented by such information are reasonable, there can be no assurance that the forward-looking information will prove to be accurate.

Forward-looking information involves known and unknown risks, uncertainties, and other factors which may cause the actual results, performance or achievements of Westgold to be materially different from any anticipated future results, performance or achievements expressed or implied by such forward-looking information. Such factors include, among others, the actual market price of gold, the actual results of current exploration, the actual results of future exploration, changes in project parameters as plans continue to be evaluated, changes in laws, regulations and practices, the geopolitical, economic, permitting and legal climate that Westgold operates in, as well as those factors disclosed in Westgold's publicly filed documents. Westgold believes that the assumptions and expectations reflected in the forward-looking information are reasonable. Readers should not place undue reliance on forward-looking information. Westgold does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

Historical Information

Information about the past performance of Westgold contained in this presentation is given for illustrative purposes only and cannot be relied upon as an indicator of (and provides no guidance as to) future performance, including future share price performance of Westgold. Any such historical information is not represented as being, and is not, indicative of Westgold's view on its future financial condition and/or performance, nor the future financial condition and/or performance of the merged group.

Ore Reserves and Mineral Resources

This presentation refers to Westgold having a combined Ore Reserve and Mineral Resource estimate of 13.2Moz and 3.3Moz (respectively) and refers to the individual Ore Reserve (or Mineral Reserve) and Mineral Resource estimate of Westgold.

The information in this presentation that relates to the Ore Reserves and Mineral Resources of Westgold (except for Starlight Mineral Resources and Bluebird-South Junction Ore Reserves and Mineral Resources) has been extracted from the ASX announcement titled “Westgold 2024 Mineral Resources and Ore Reserves ” released to the ASX on 16 September 2024 and available at www.asx.com.au. The information in this presentation that relates to the Mineral Resources of Starlight has been extracted from the ASX announcement titled “Starlight Mineral Resource Grows by 91%” released to the ASX on 13 November 2024 and available at www.asx.com.au. The information in this presentation that relates to the Mineral Resources and Ore Reserves of Bluebird-South Junction has been extracted from the ASX announcement titled “Westgold Doubles Bluebird - South Junction Ore Reserve” released to the ASX on 4 December 2024 and available at www.asx.com.au. Westgold confirms that it is not aware of any new information or data that materially affects the information included in that announcement, and that all material assumptions and technical parameters underpinning the estimates in that announcement continue to apply and have not materially changed. Westgold confirms that the form and context in which the Competent Persons findings are presented have not been materially modified from that announcement.

The information in this presentation that relates to Westgold's Exploration results and Mineral Resource Estimates is compiled by Westgold technical employees and contractors under the supervision of Mr. Jake Russell B.Sc. (Hons), who is a member of the Australian Institute of Geoscientists and who has verified, reviewed and approved such information. Mr Russell is a full-time employee of Westgold and has sufficient experience which is relevant to the styles of mineralisation and types of deposit under consideration and to the activities which he is undertaking to qualify as a Competent Person as defined in the Joint Ore Reserves Committee's 2012 Australasian Code for Reporting of Mineral Resources and Ore Reserves (**JORC Code**) and as a Qualified Person as defined in the CIM Guidelines and NI 43-101. Mr. Russell is a full-time employee as General Manager – Technical Services of Westgold and, accordingly, is not independent for purposes of NI 43-101. Mr Russell consents to and approves of the inclusion in this presentation of the matters based on his information in the form and context in which it appears. Mr Russell is eligible to participate in short and long-term incentive plans of Westgold.

The information in this presentation that relates to Westgold's Ore Reserve is based on information compiled by Mr. Leigh Devlin B.Eng. FAusIMM and who has verified, reviewed and approved such information. Mr. Devlin has sufficient experience which is relevant to the styles of mineralisation and types of deposit under consideration and to the activities which they are undertaking to qualify as a Competent Person as defined in the JORC Code and as a Qualified Person as defined in the CIM Guidelines and NI 43-101. Mr. Devlin is full-time senior executive of Westgold and, accordingly, is not independent for purposes of NI 43-101. Mr. Devlin consents to and approves of the inclusion in this presentation of the matters based on his information in the form and context in which it appears. Mr. Devlin is a full-time senior executive of Westgold and is eligible to and may participate in short-term and long-term incentive plans of Westgold as disclosed in its annual reports and disclosure documents.

Important Notices and Disclaimer

JORC CODE

It is a requirement of the ASX Listing Rules that the reporting of Ore Reserves and Mineral Resources in Australia comply with the JORC Code. Investors outside Australia should note that while Ore Reserve and Mineral Resource estimates of Westgold in this presentation comply with the JORC Code (such JORC Code-compliant Ore Reserves and Mineral Resources being "Ore Reserves" and "Mineral Resources" respectively), they may not comply with the relevant guidelines in other countries and, in particular, do not comply with (i) National Instrument 43-101 (Standards of Disclosure for Mineral Projects) of the Canadian Securities Administrators (the "NI 43-101"); or (ii) Item 1300 of Regulation S-K, which governs disclosures of Mineral Reserves in registration statements filed with the SEC. Information contained in this presentation describing mineral deposits may not be comparable to similar information made public by companies subject to the reporting and disclosure requirements of Canadian or US securities laws.

Investment Risk

As noted above, an investment in shares in Westgold is subject to investment and other known and unknown risks, some of which are beyond the control of Westgold. Westgold does not guarantee any particular rate of return or the performance of Westgold, nor does it guarantee the repayment of capital from Westgold or any particular tax treatment. Prospective investors should have regard to the risks outlined in this presentation when making their investment decision and should make their own enquires and investigations regarding all information in this presentation, including but not limited to the assumptions, uncertainties and contingencies which may affect future operations of Westgold and the impact that different future outcomes may have on Westgold. These risks, together with other general risks applicable to all investments in listed securities not specifically referred to, may affect the value of shares in Westgold in the future. There is no guarantee that the Westgold shares will make a return on the capital invested, that dividends will be paid on the Westgold shares or that there will be an increase in the value of the Westgold shares in the future. Accordingly, an investment in Westgold should be considered highly speculative and potential investors should consult their professional advisers before deciding whether to subscribe for Westgold shares.

Effect of Rounding

A number of figures, amounts, percentages, estimates and calculations of value in this presentation are subject to the effect of rounding. The actual calculation of these figures may differ from the figures set out in this presentation.

Respect

Westgold would like to acknowledge the Traditional Custodians of the land on which we operate on and gather today. We pay our respects to their Elders past and present.

We would also like to extend that respect to Aboriginal and Torres Strait Islander peoples here today.

Artwork by Janine Mongoo

A miner that explores

Exploration in FY24

**\$25M invested
in exploration**

365km drilled

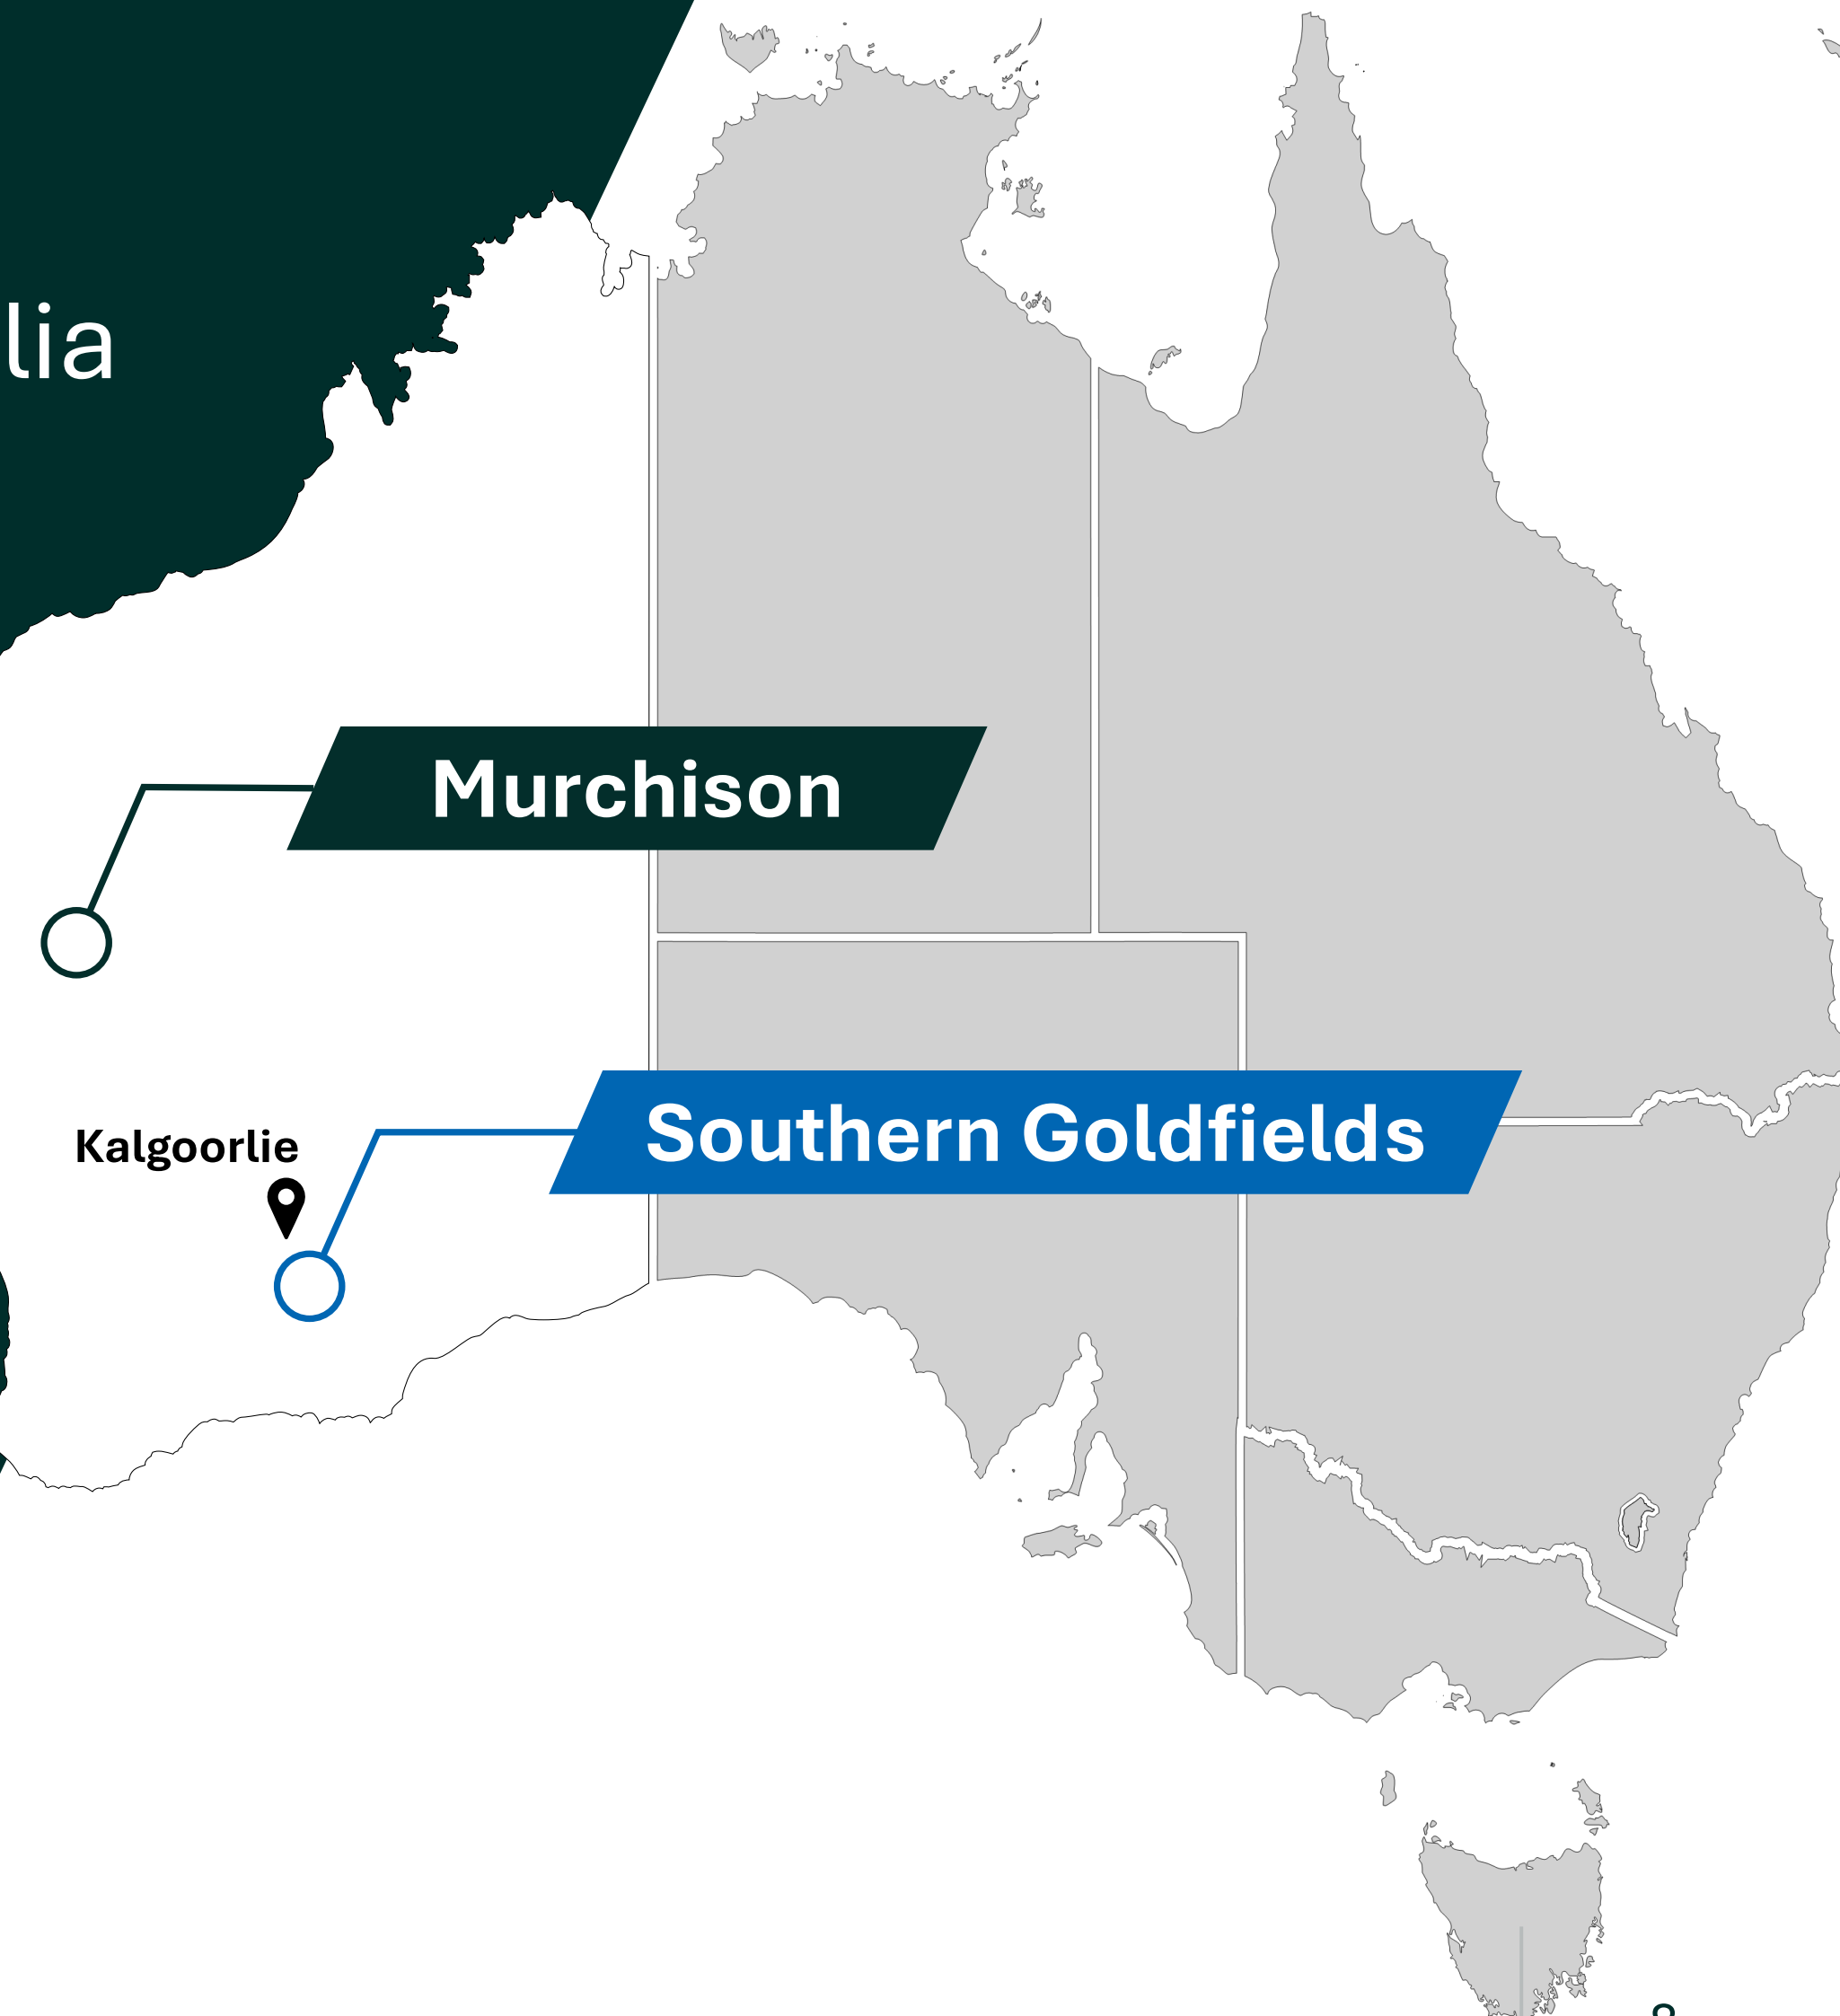

**+613koz
Resources**

**To have
exploration
success you
need...**

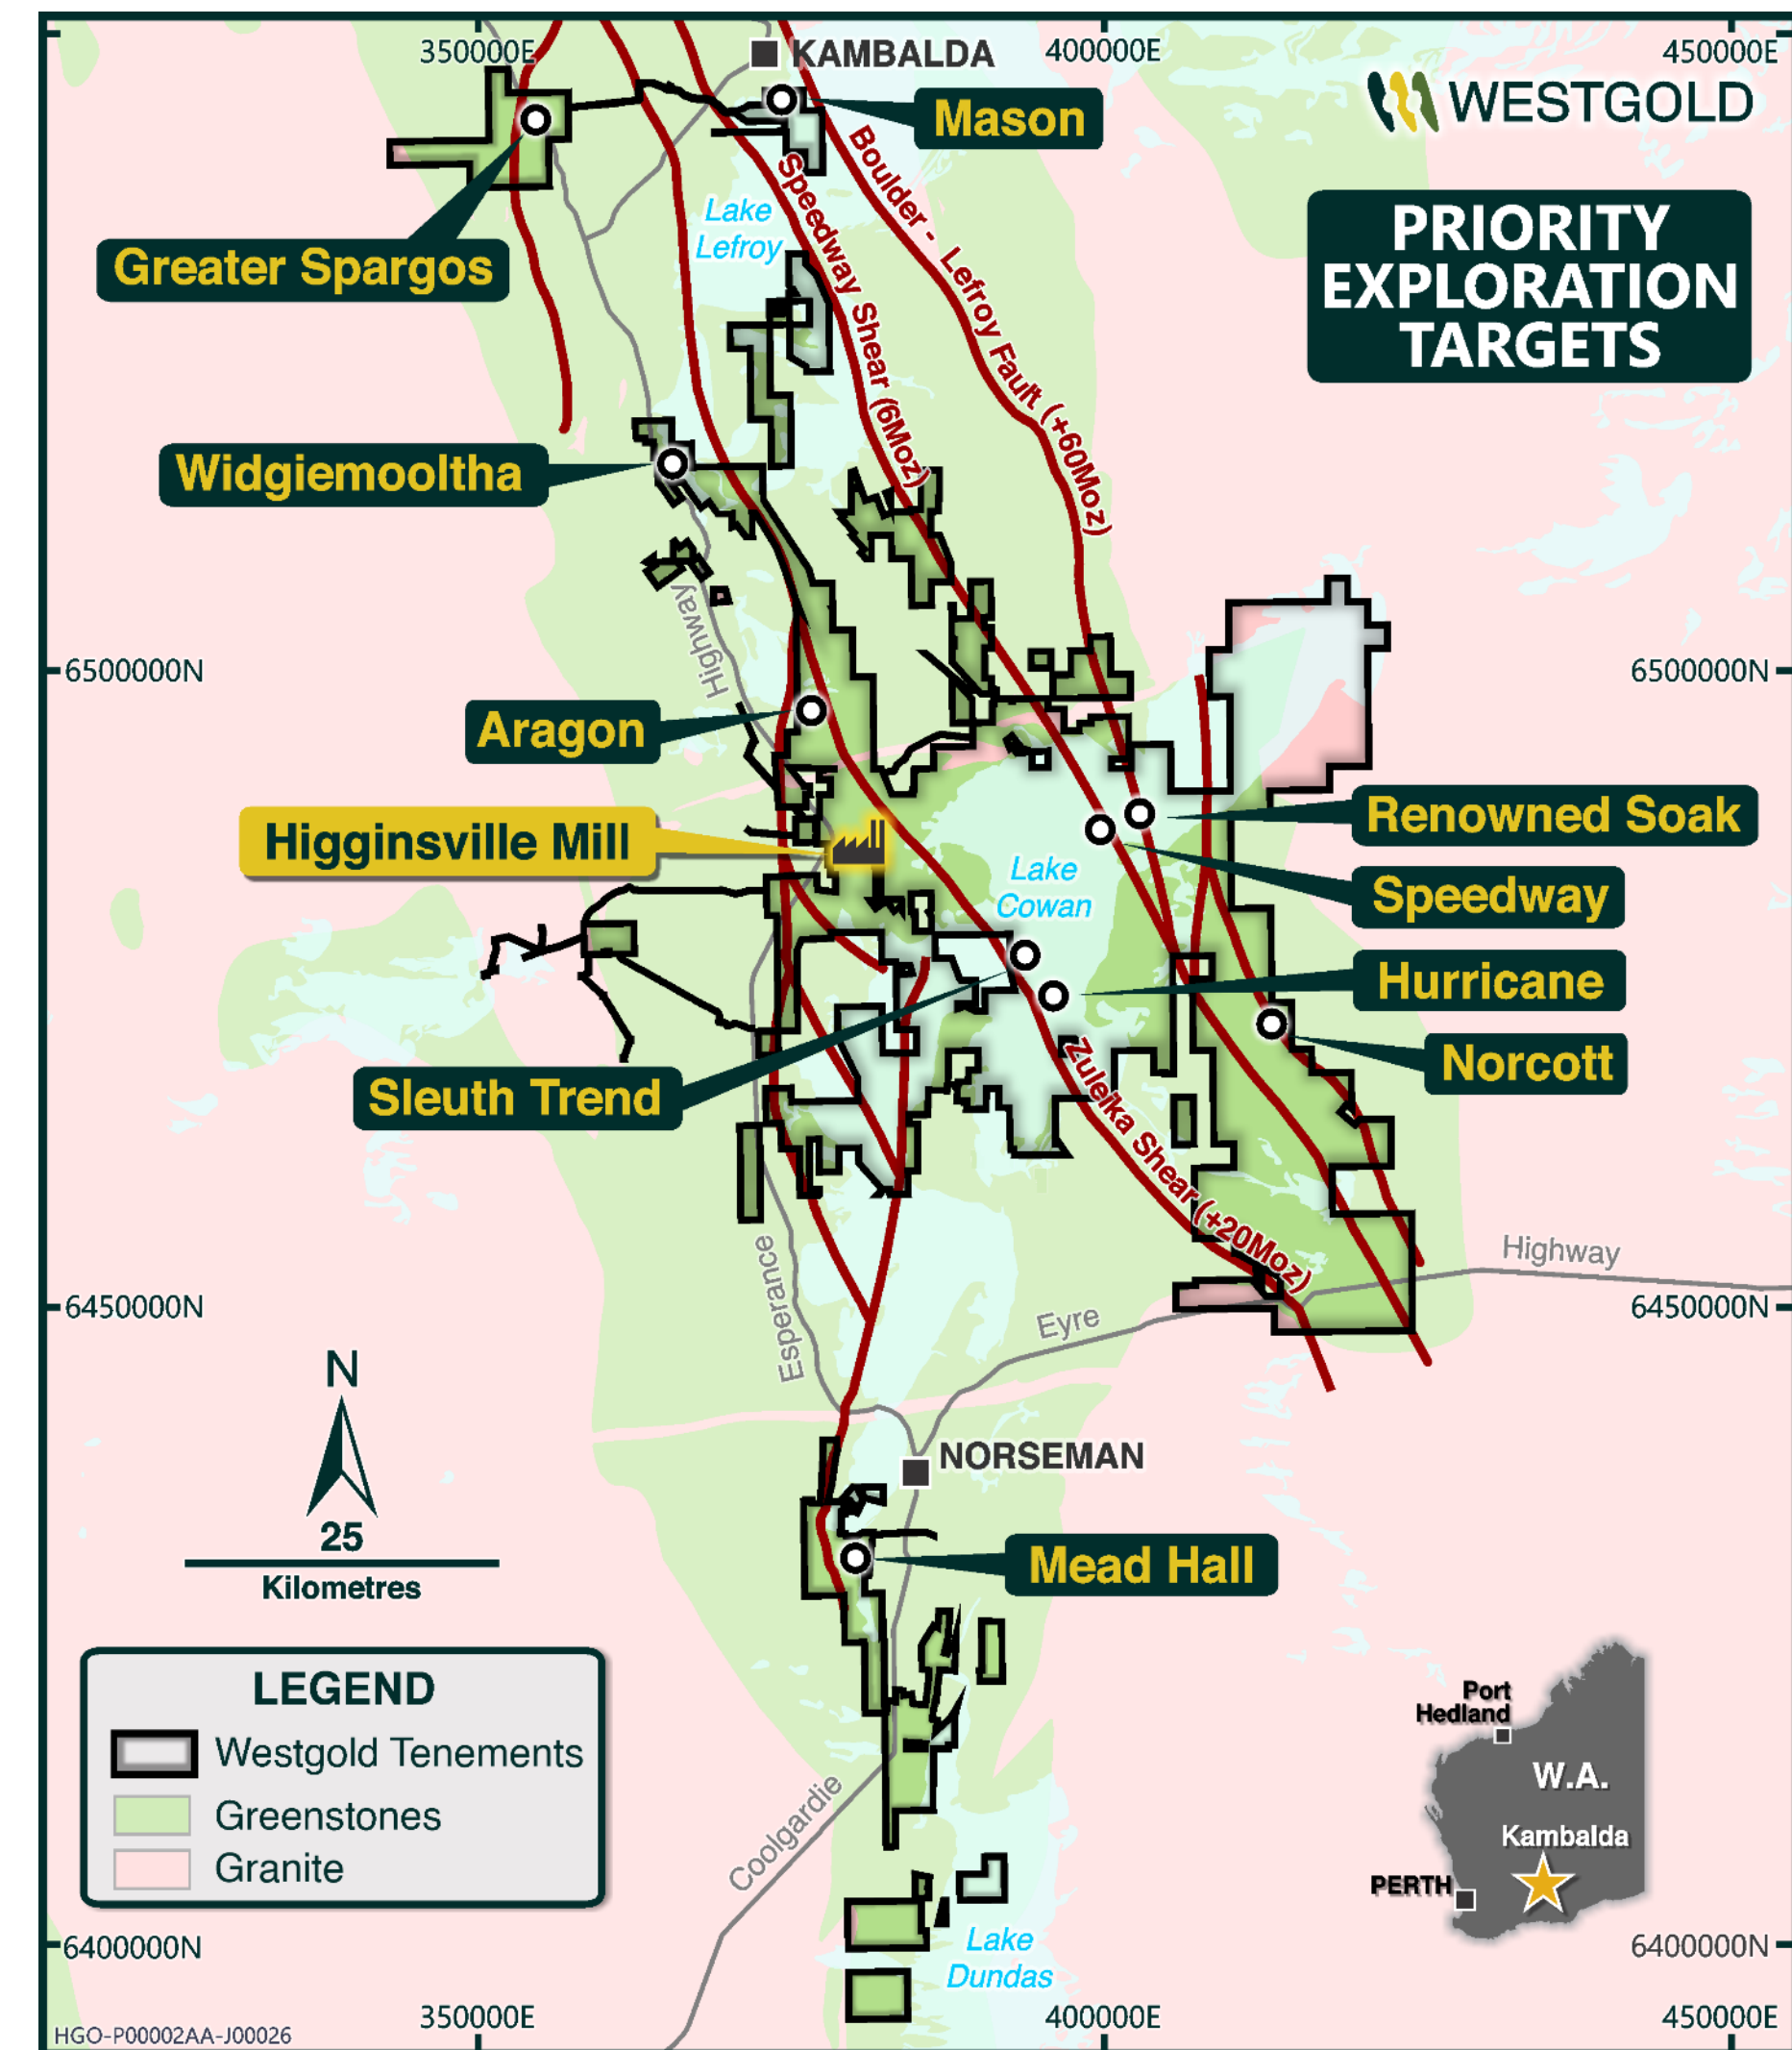

1. Tenure

- Two strategic footprints across Western Australia
- 3,200km² of tenements
 - historically under drilled
- 3.3Moz reserve and 13.2Moz resource
- Target rich environment
 - organic growth opportunities abound

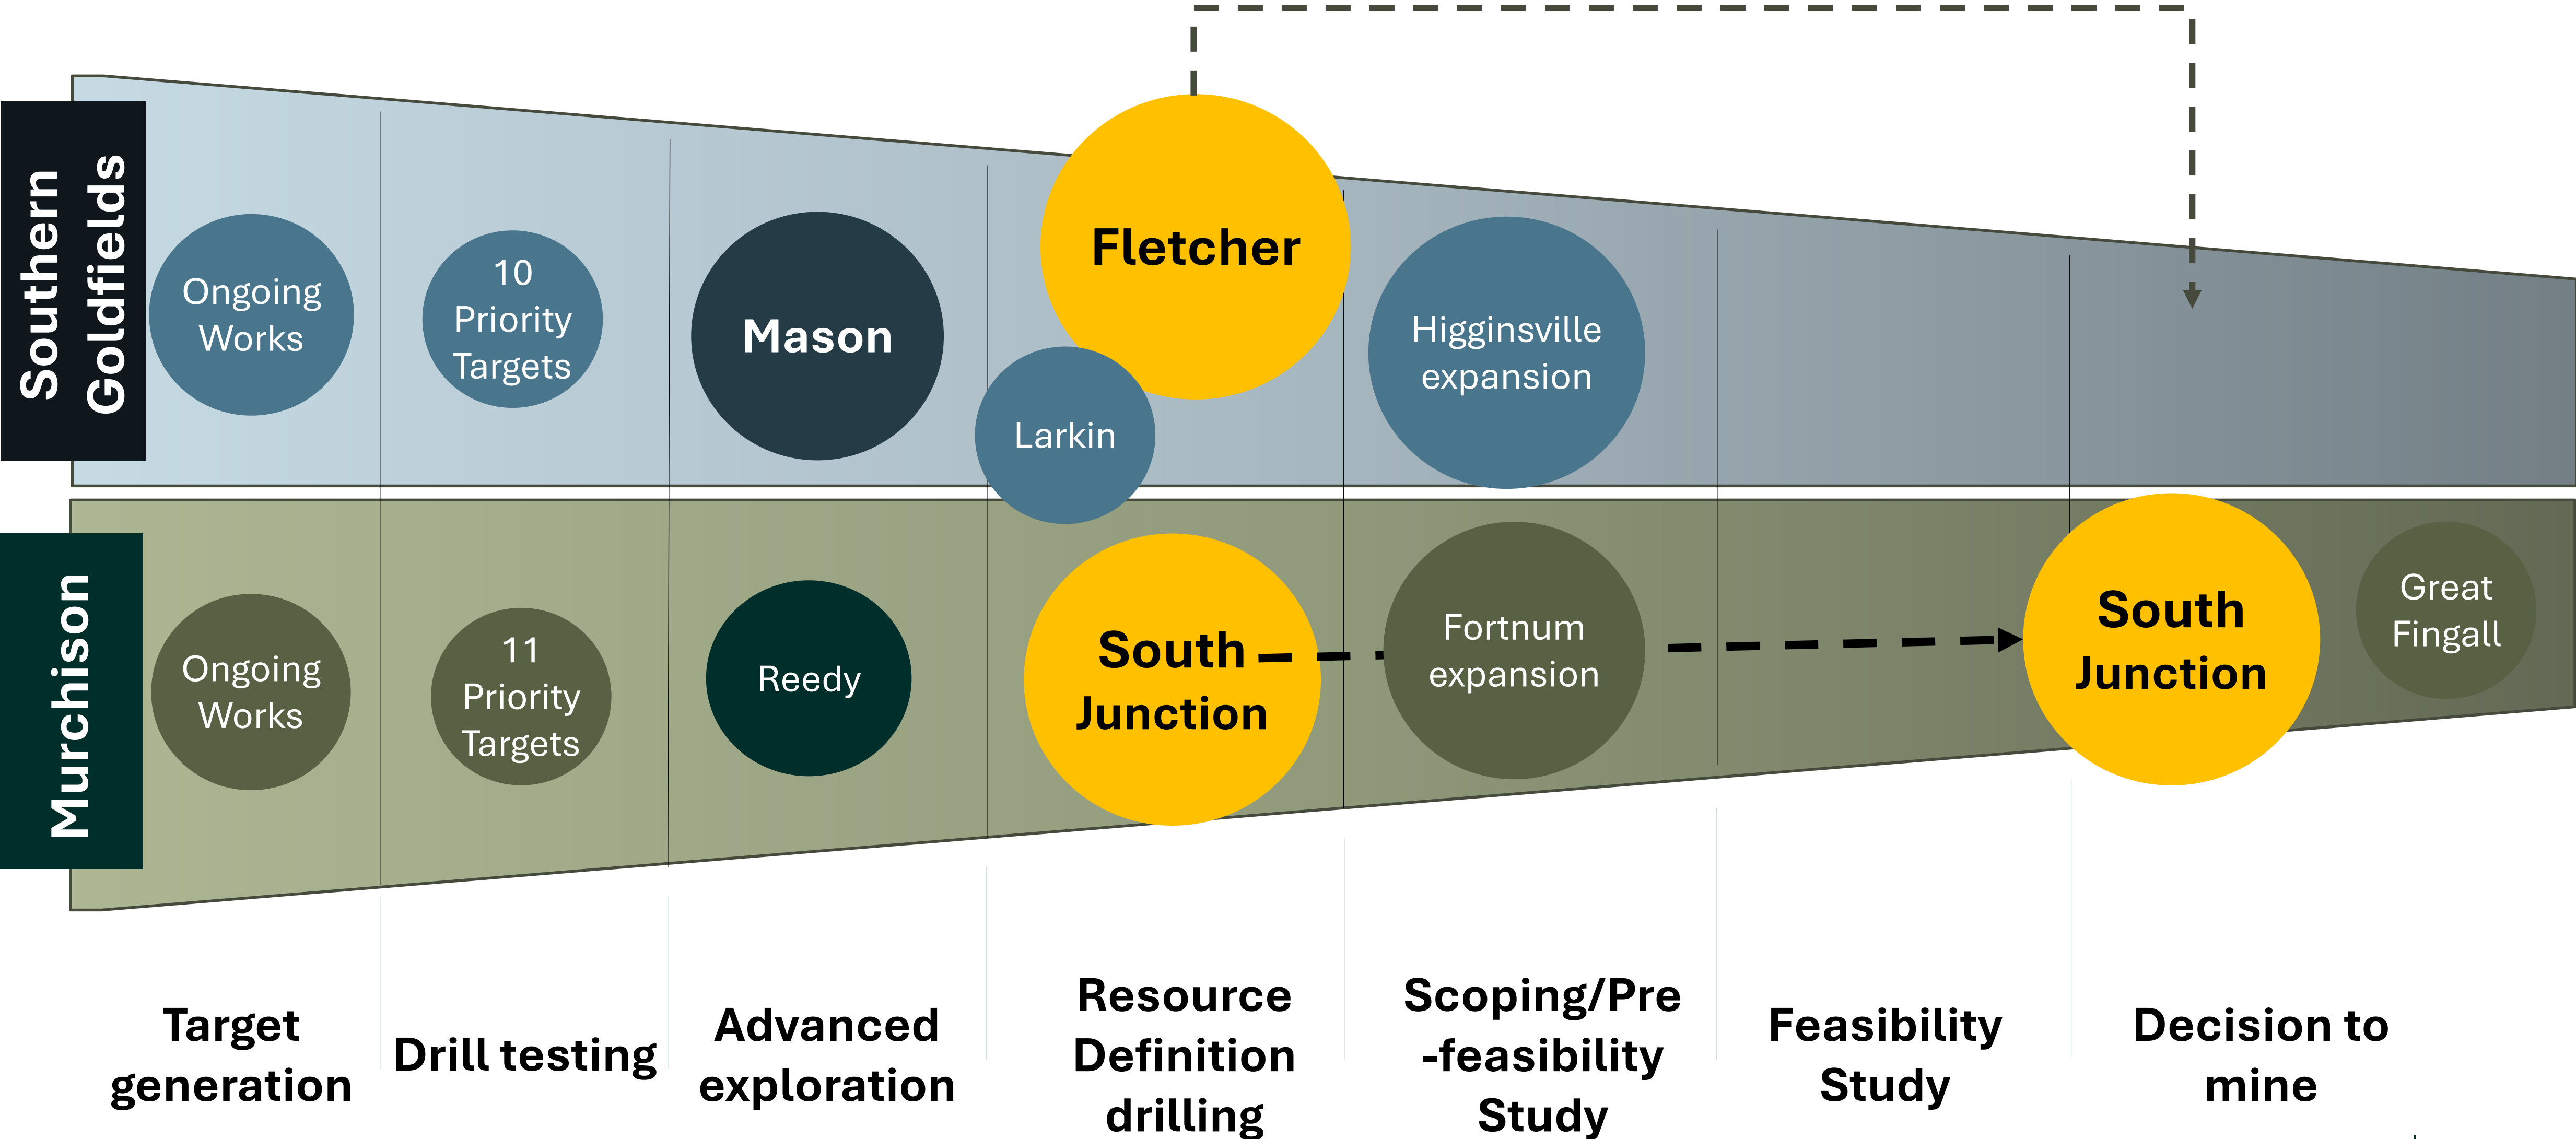

2. Targets

Multiple exploration targets across the Murchison and Southern Goldfields

Keep the pipeline moving...

3. Team

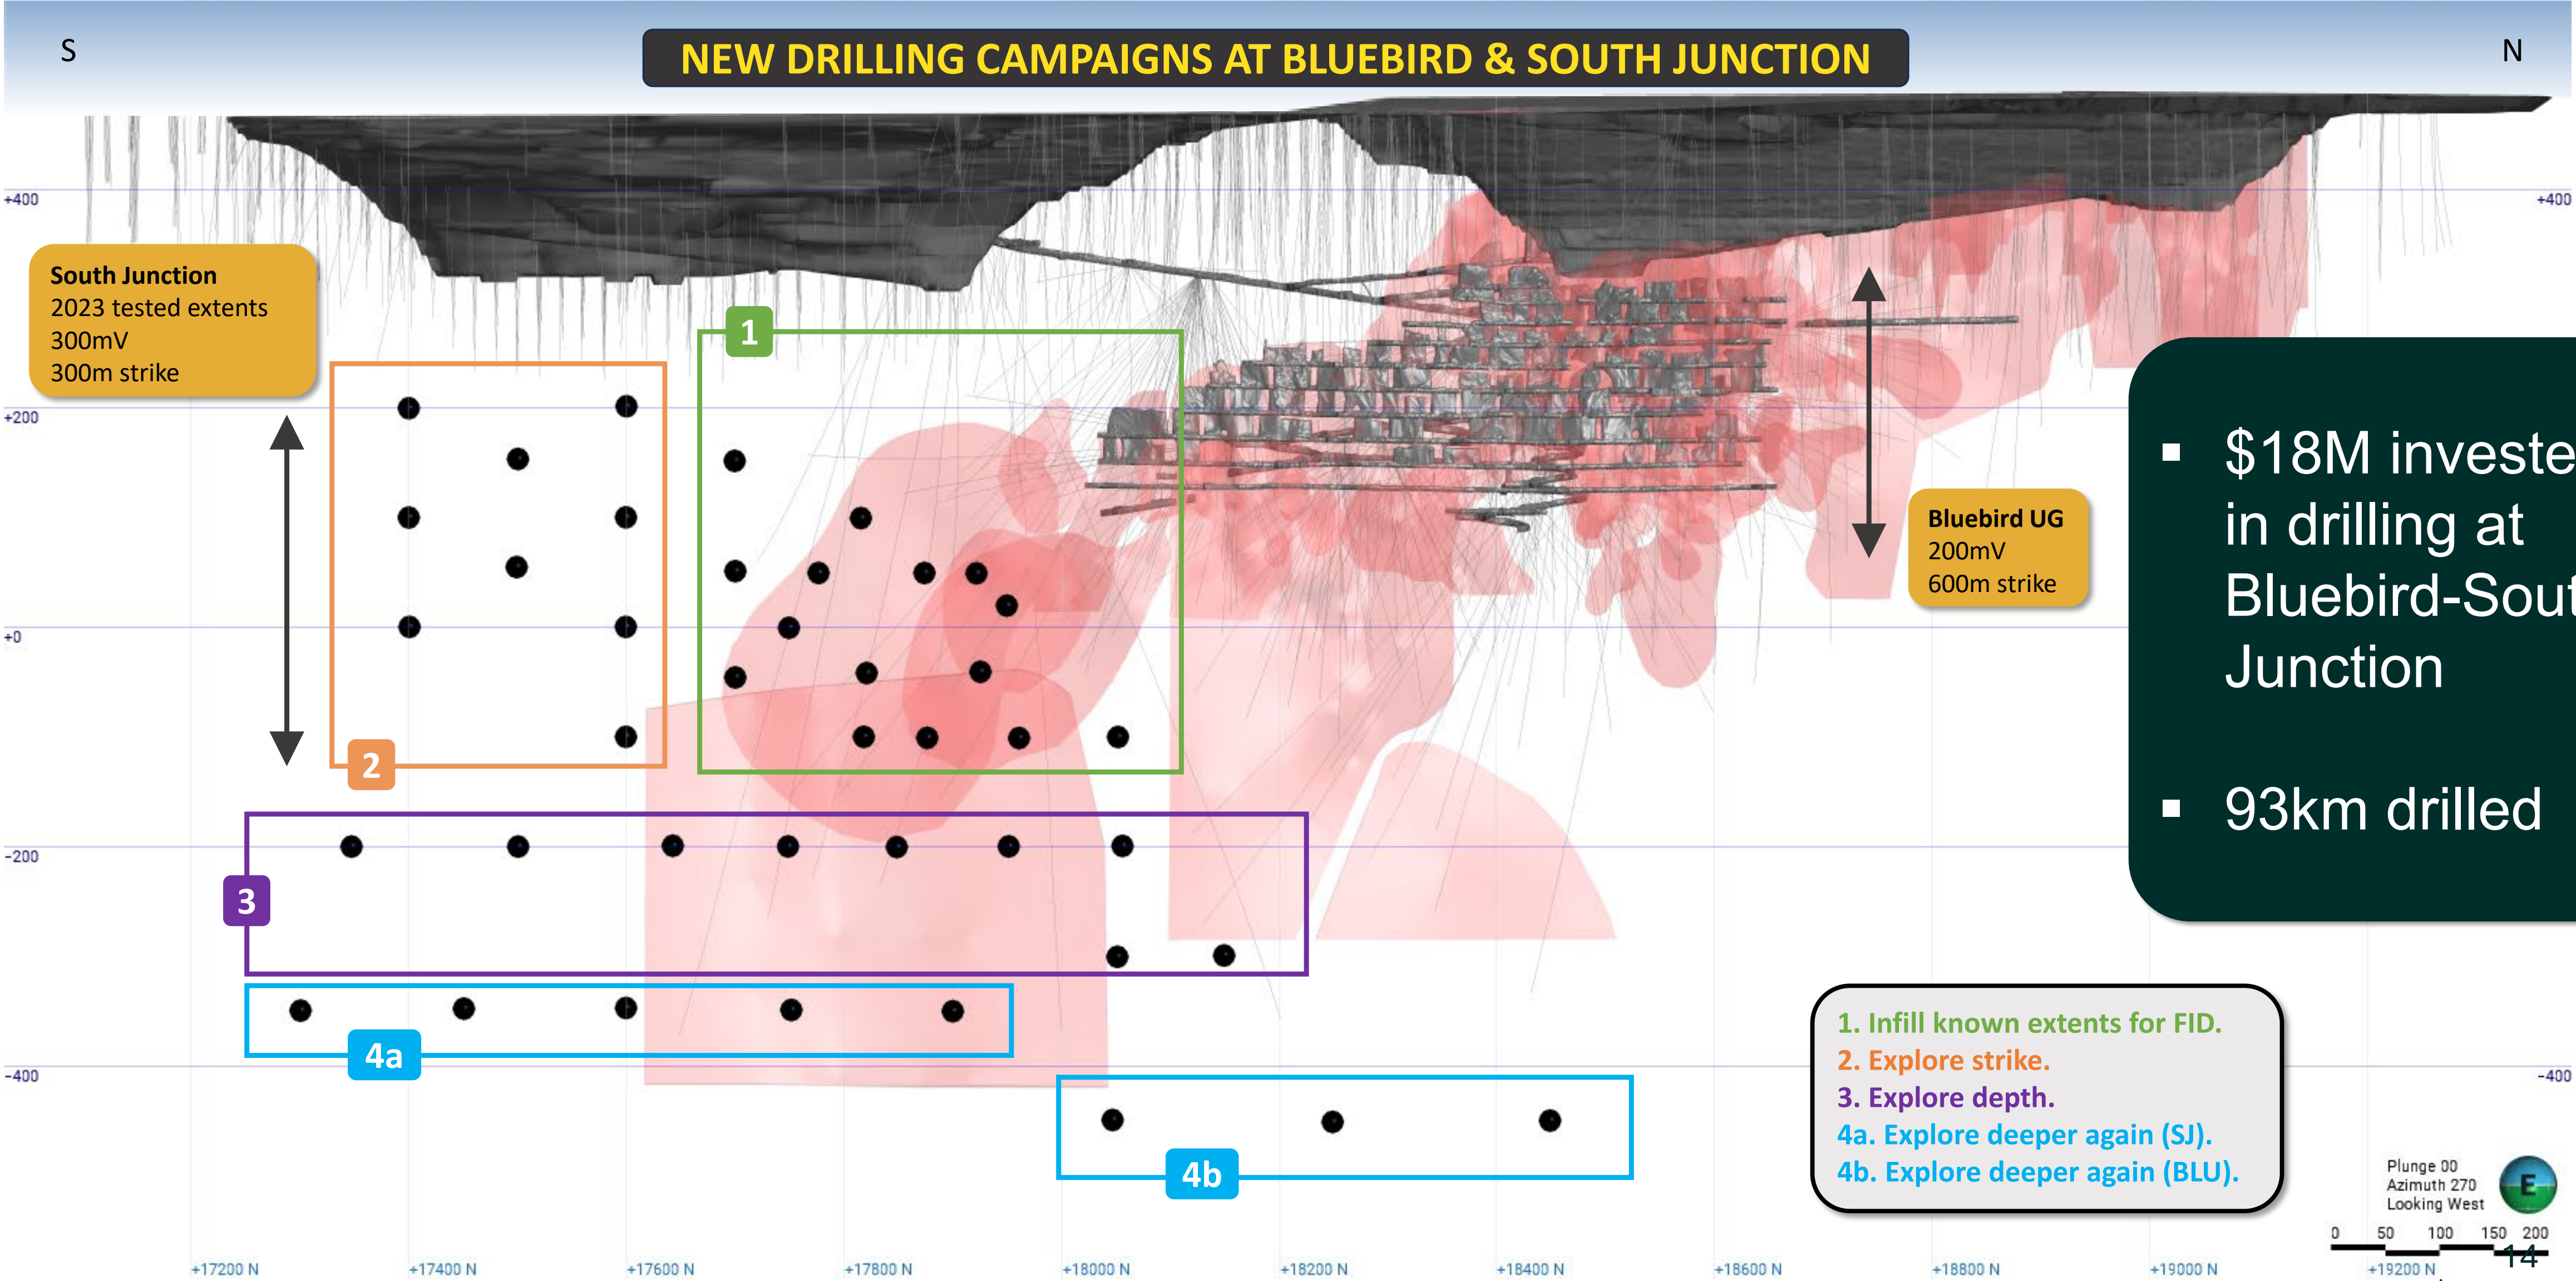

- Focussed, inhouse resource development and exploration teams
- In-house drilling capability
 - 15 underground drill rigs we own and operate
 - +120 in house drilling personnel
 - ~17 Geologists
- Supported by independent surface drilling contractors

**What does
exploration
success look
like?**

Success is to....

Bluebird – South Junction in Feb 2024

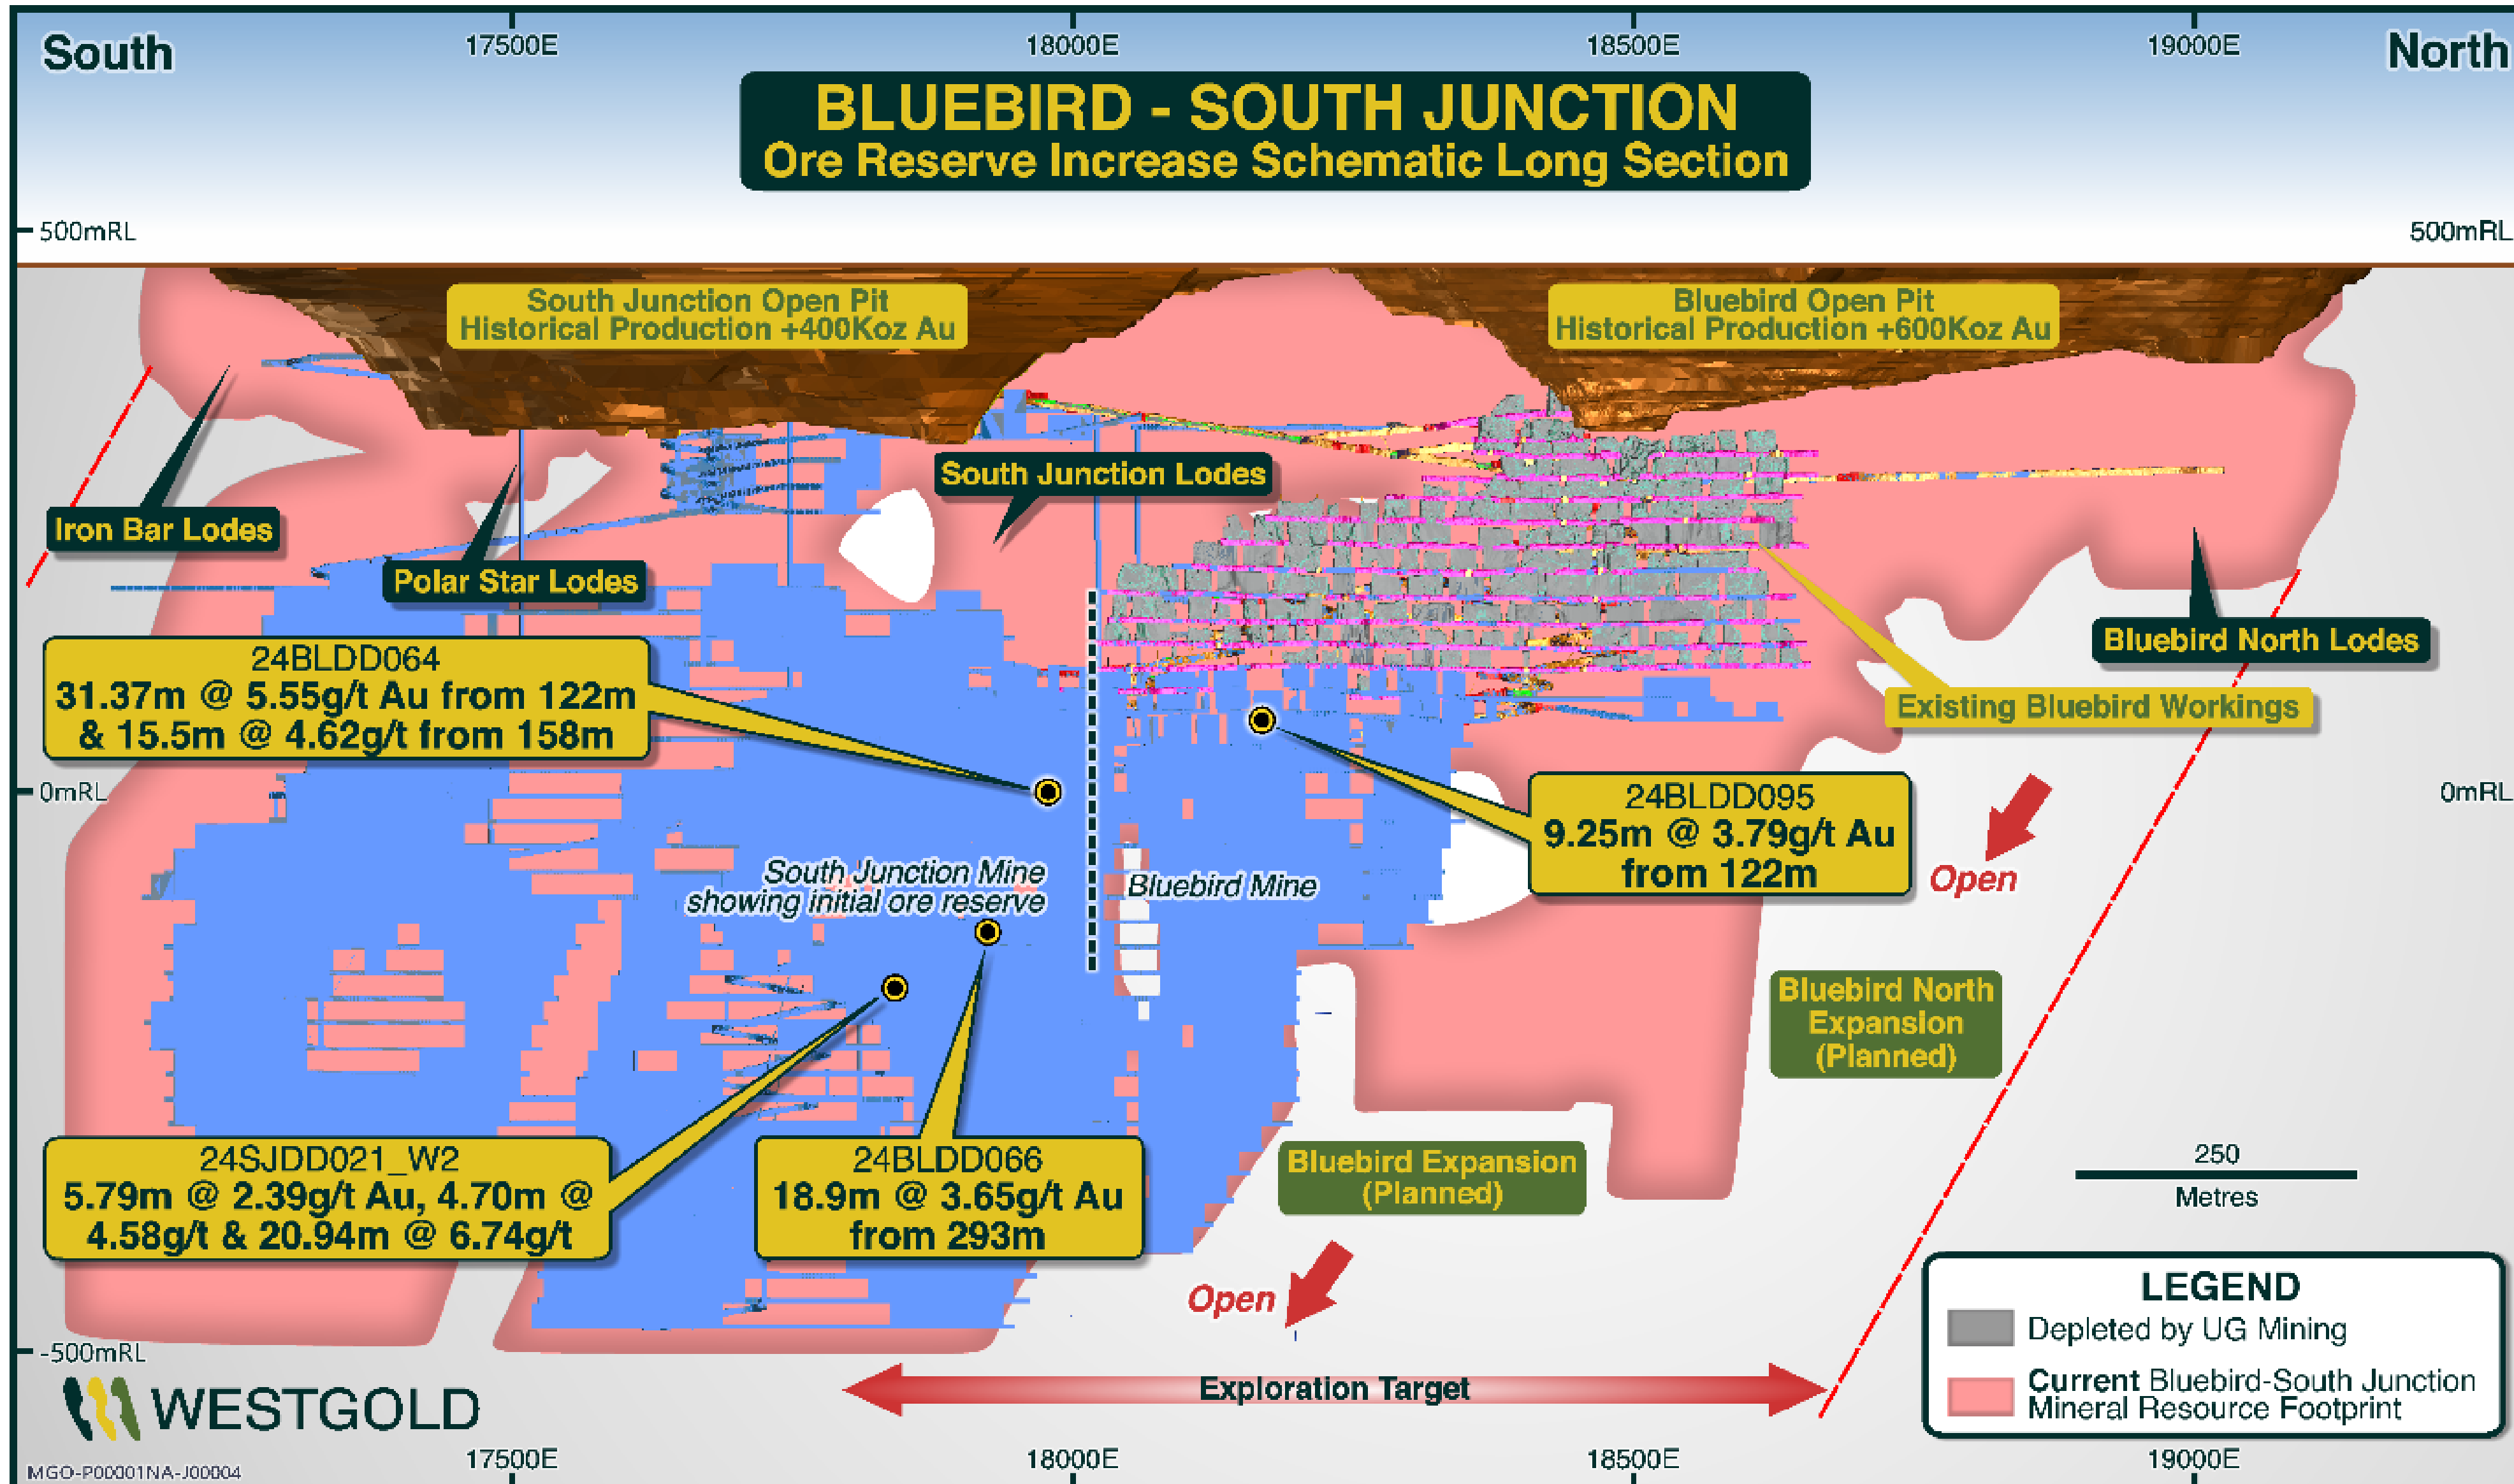

- \$18M invested in drilling at Bluebird-South Junction
- 93km drilled

1. Infill known extents for FID.
2. Explore strike.
3. Explore depth.
4a. Explore deeper again (SJ).
4b. Explore deeper again (BLU).

Resource now 1.4Moz – up 244% from FY23 MRE

Bluebird-South Junction Ore Reserve is currently **573Koz**

Fletcher and Mason are next...

Beta Hunt – Fletcher Zone

Global Fletcher exploration target of 1.6 – 2.1Moz along 2km of strike¹

Stage 1 - exploration target: 0.8-1.2Moz

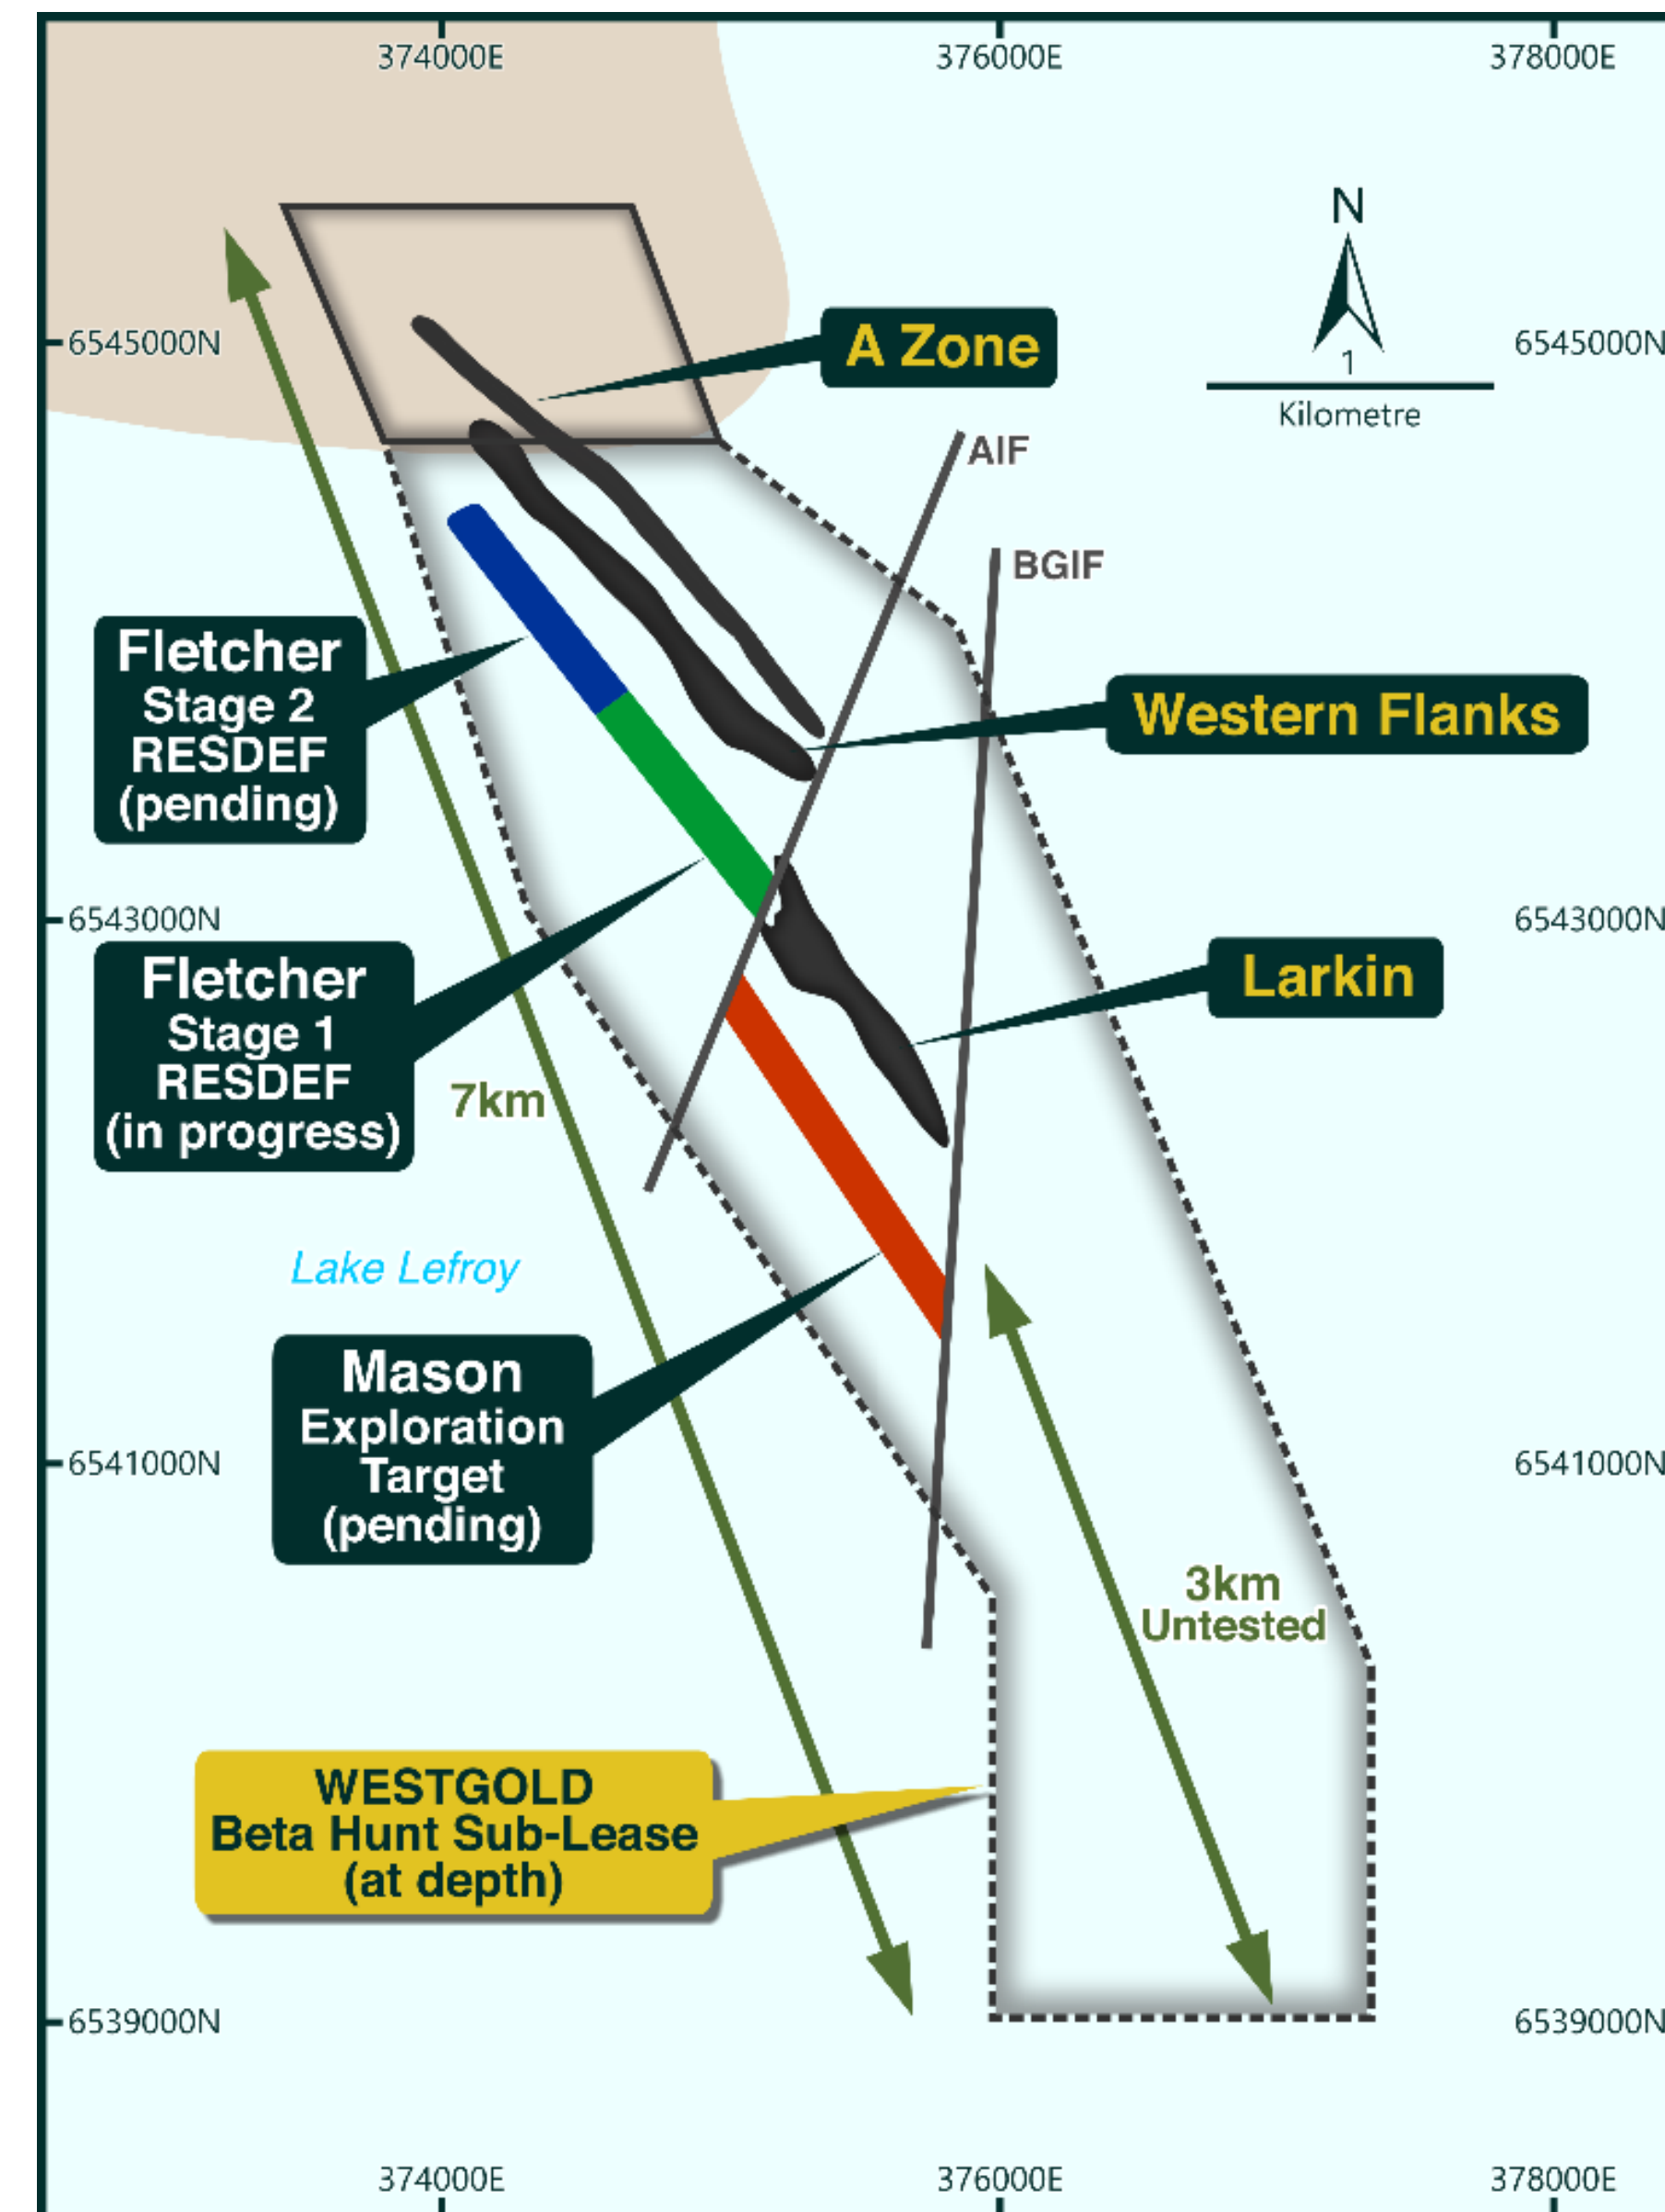

Recent drilling intercepts include:

- 41.00m at 7.99 g/t Au in hole FF475SP-62AE;
- 19.00m at 5.95 g/t Au in hole FF475SP-62AE; and
- 38.00m at 6.80 g/t Au in hole WF440VD-55AE.

Beta Hunt - Mason Zone

Mason interpreted as extension of Fletcher, offset along Alpha Island Fault.

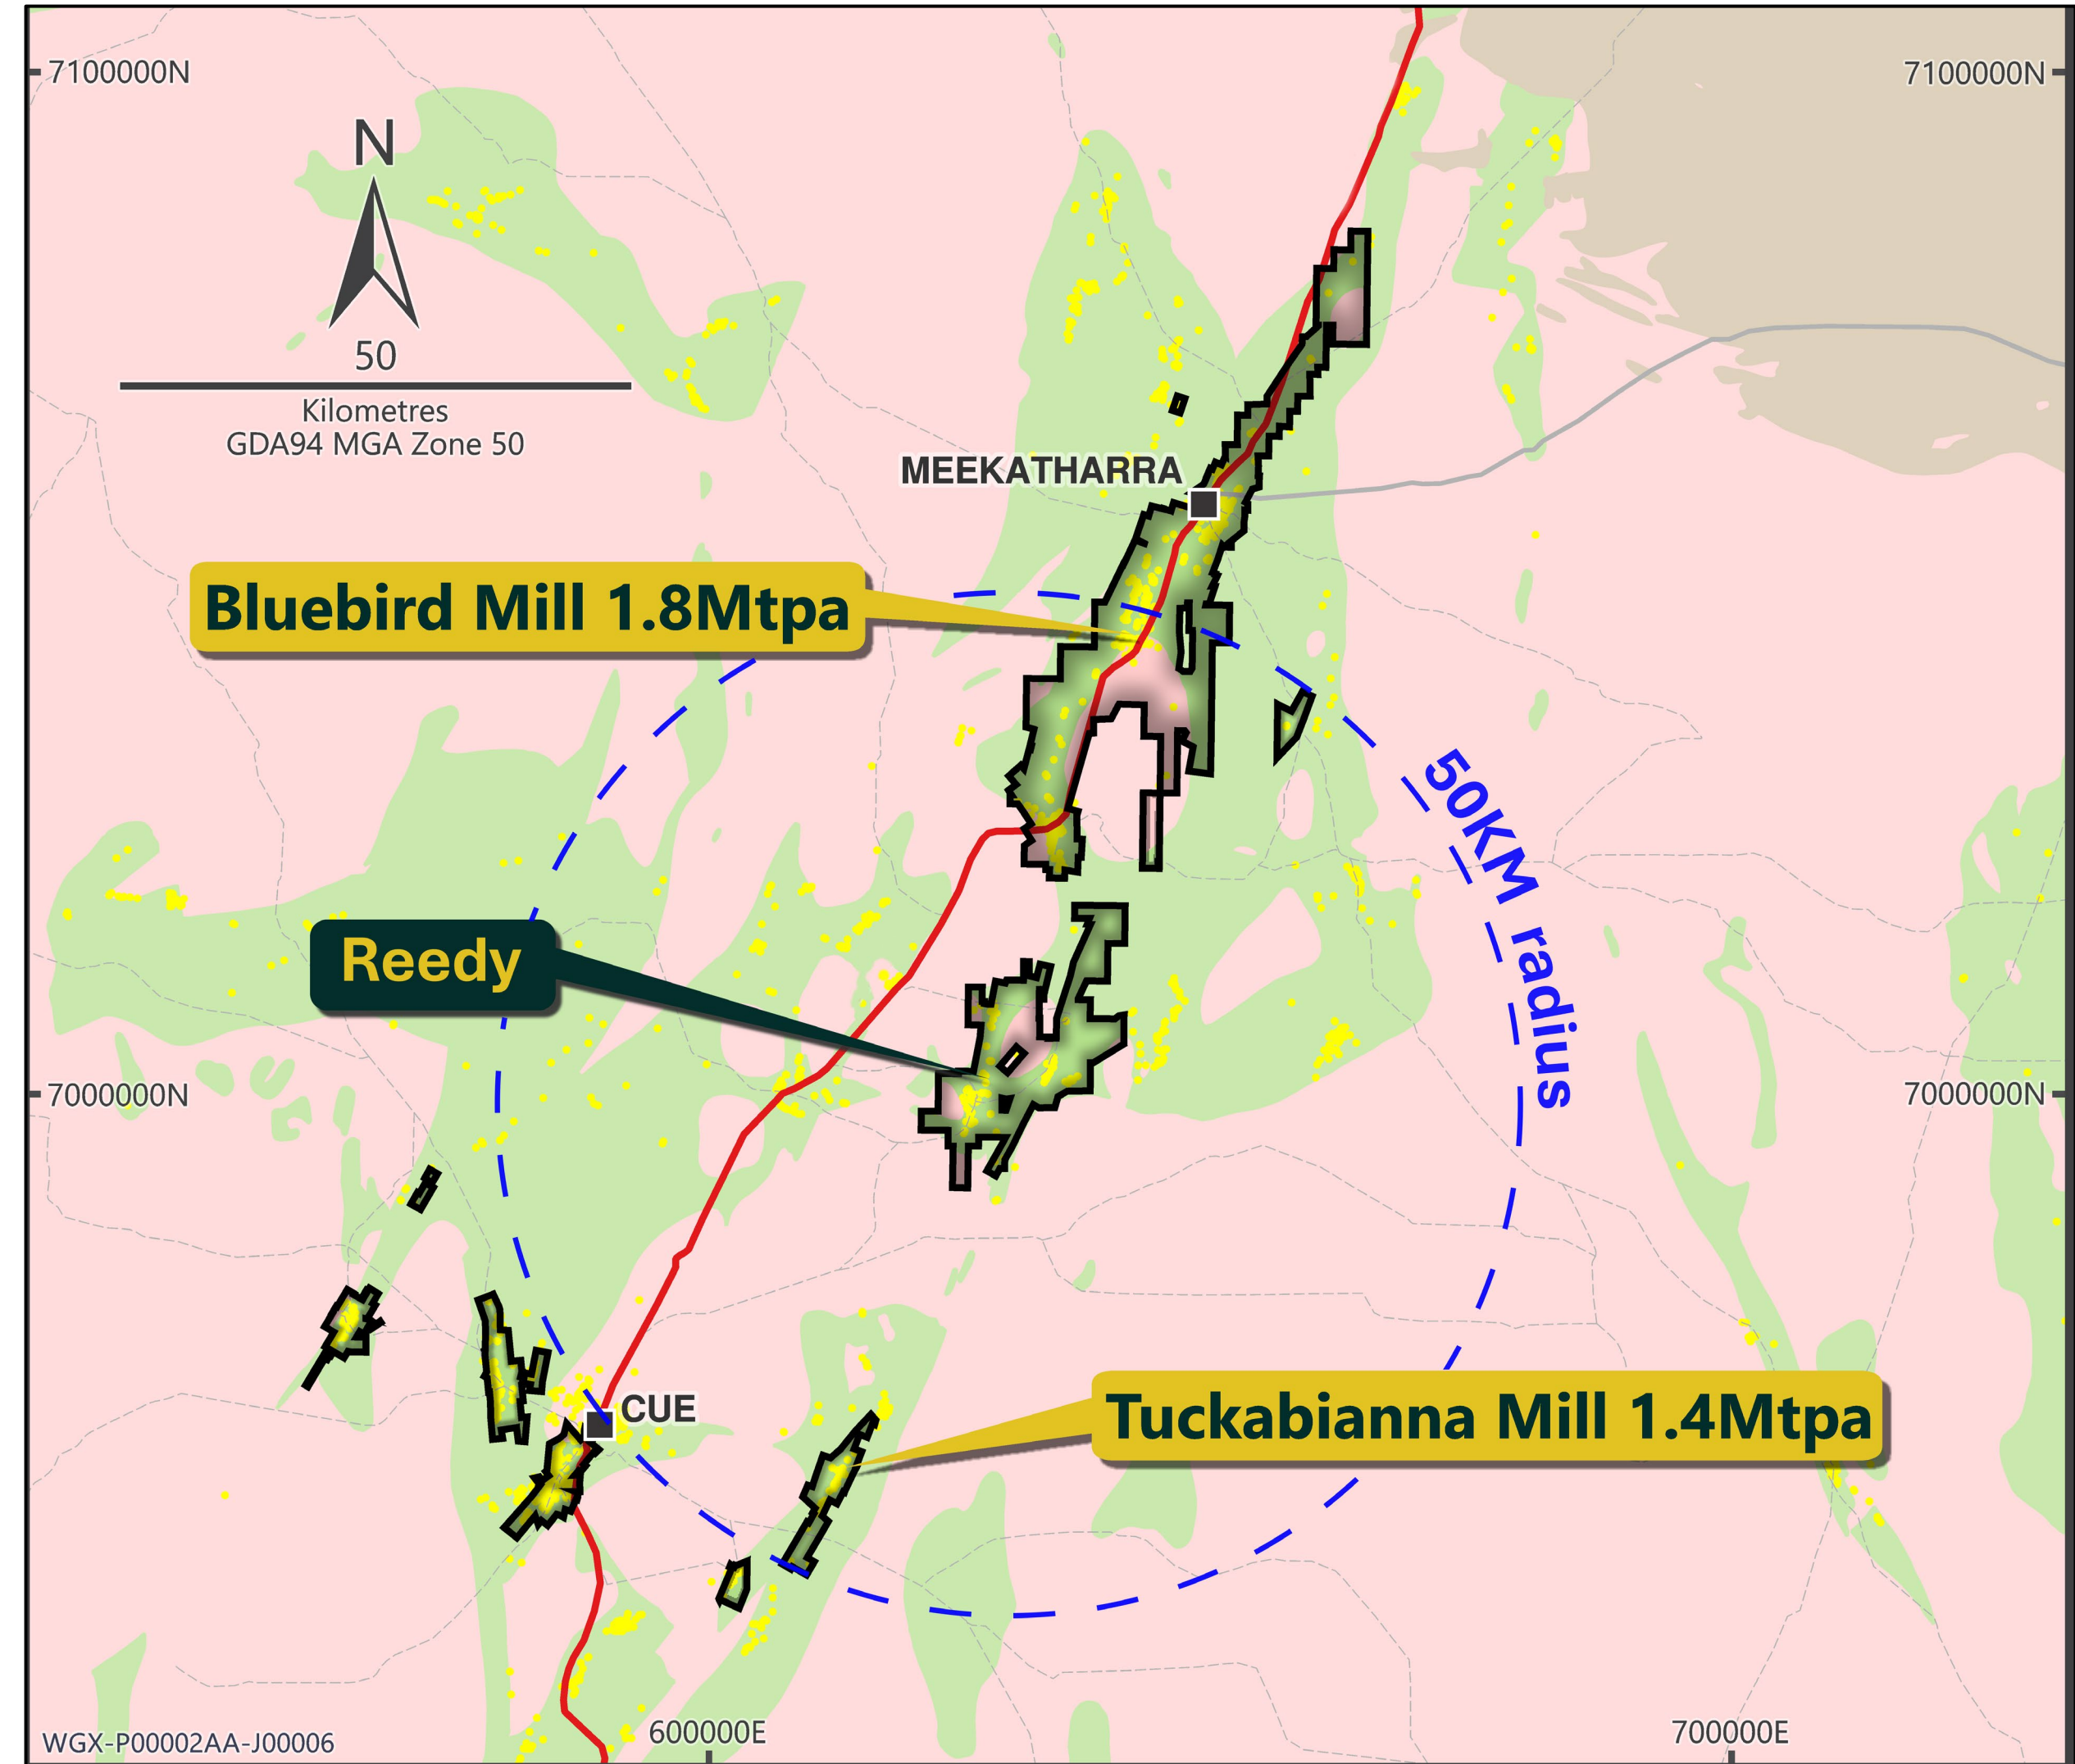

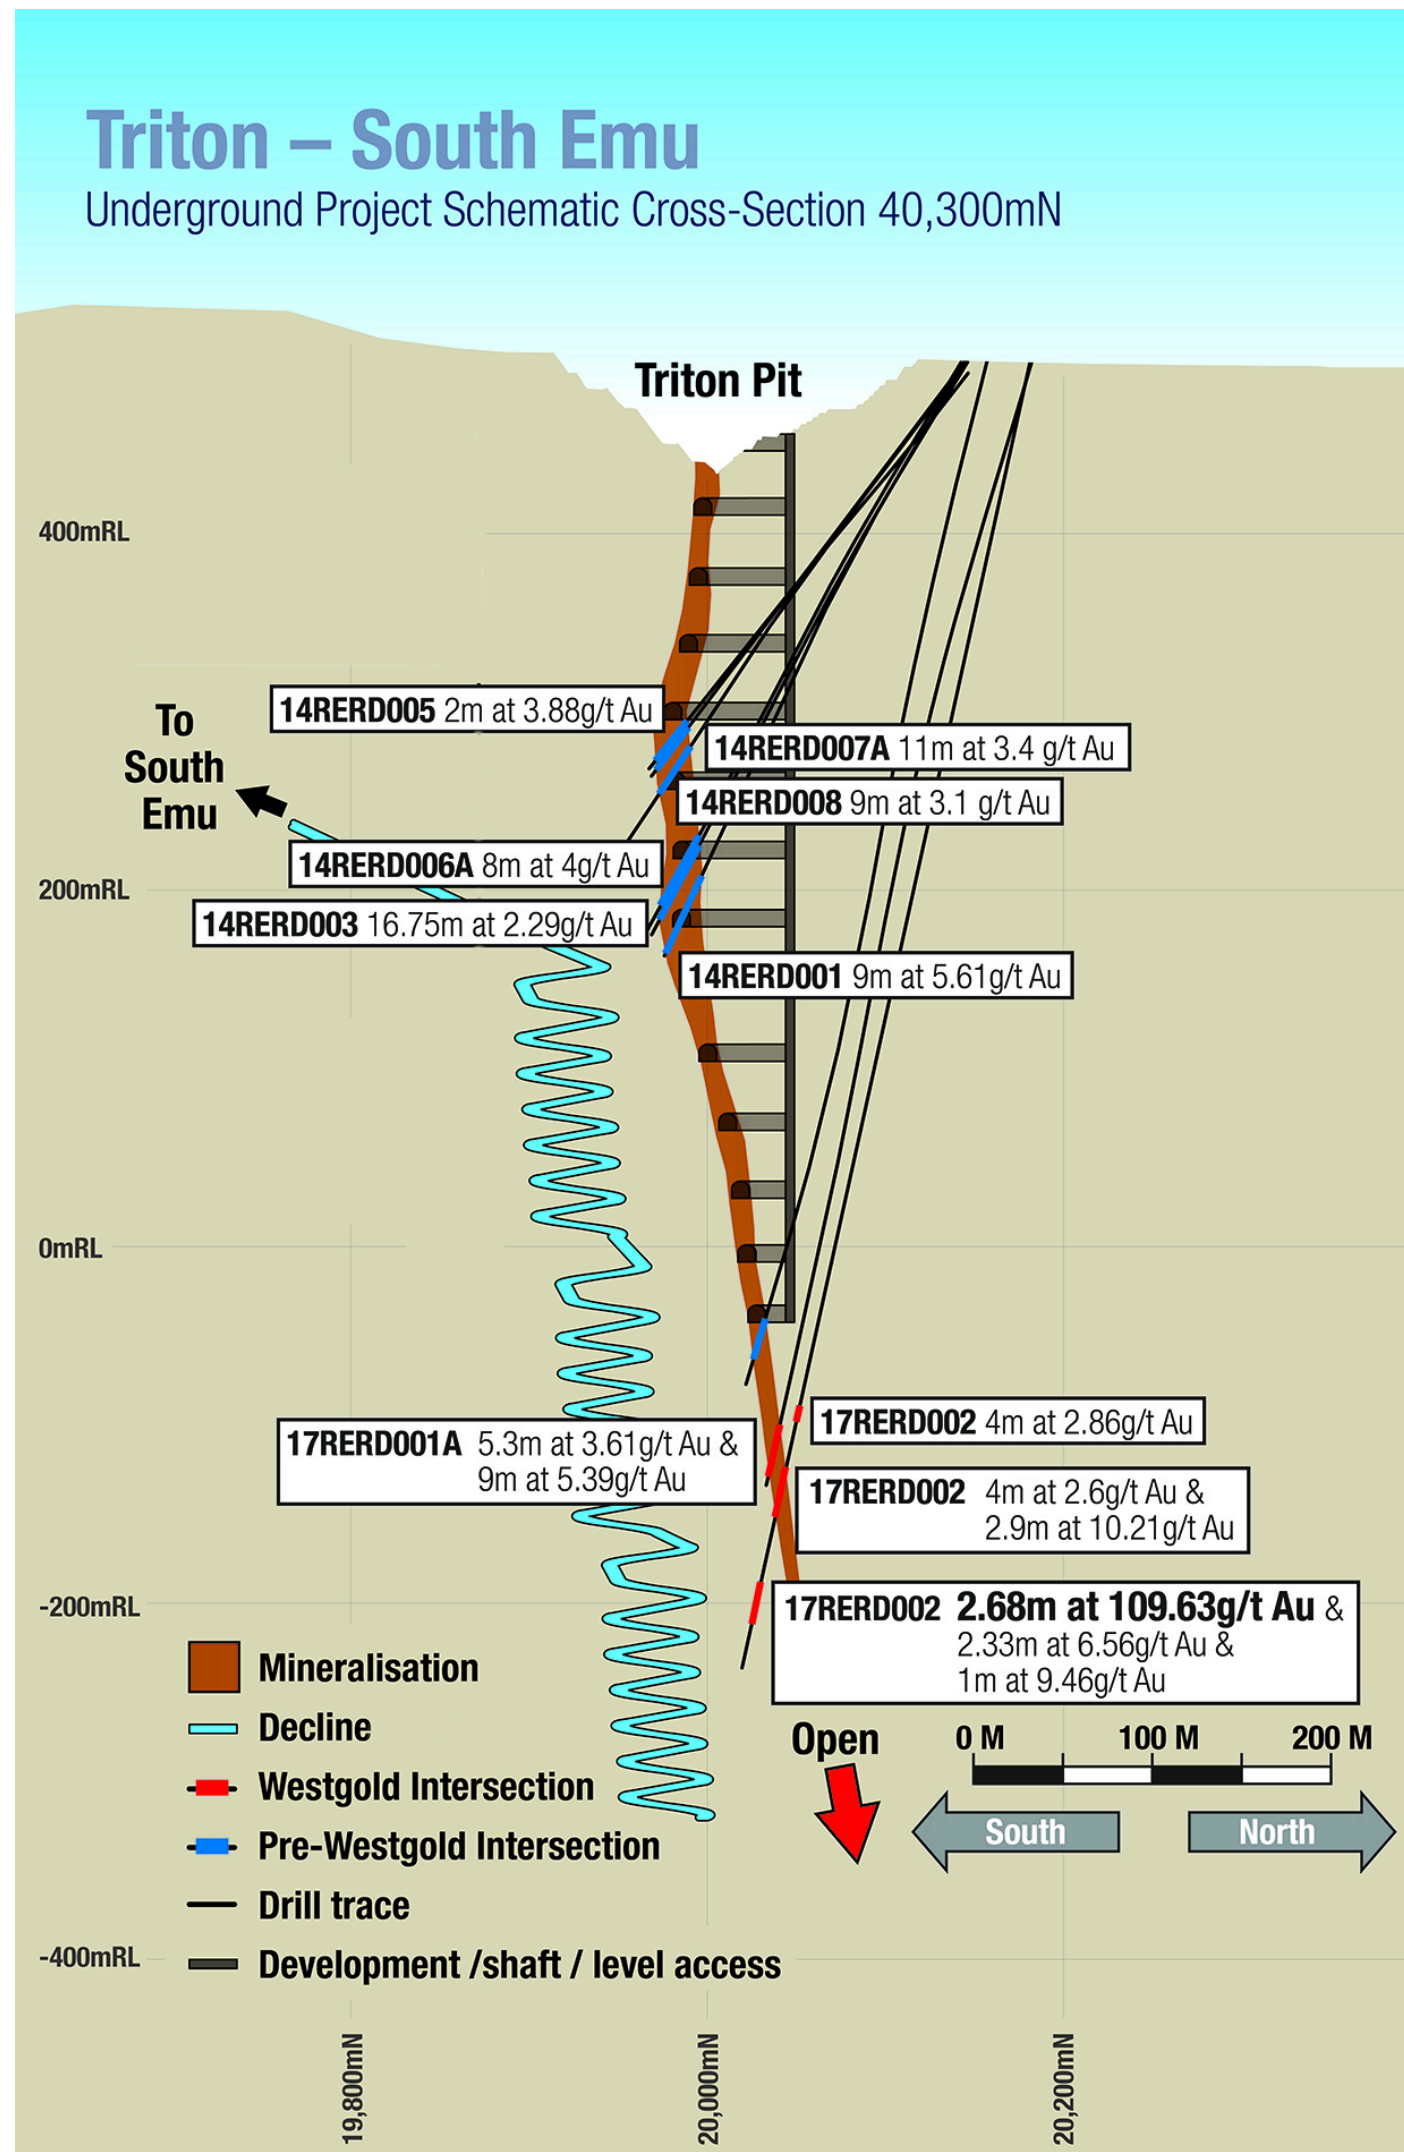

Southern 3km of tenure untested.

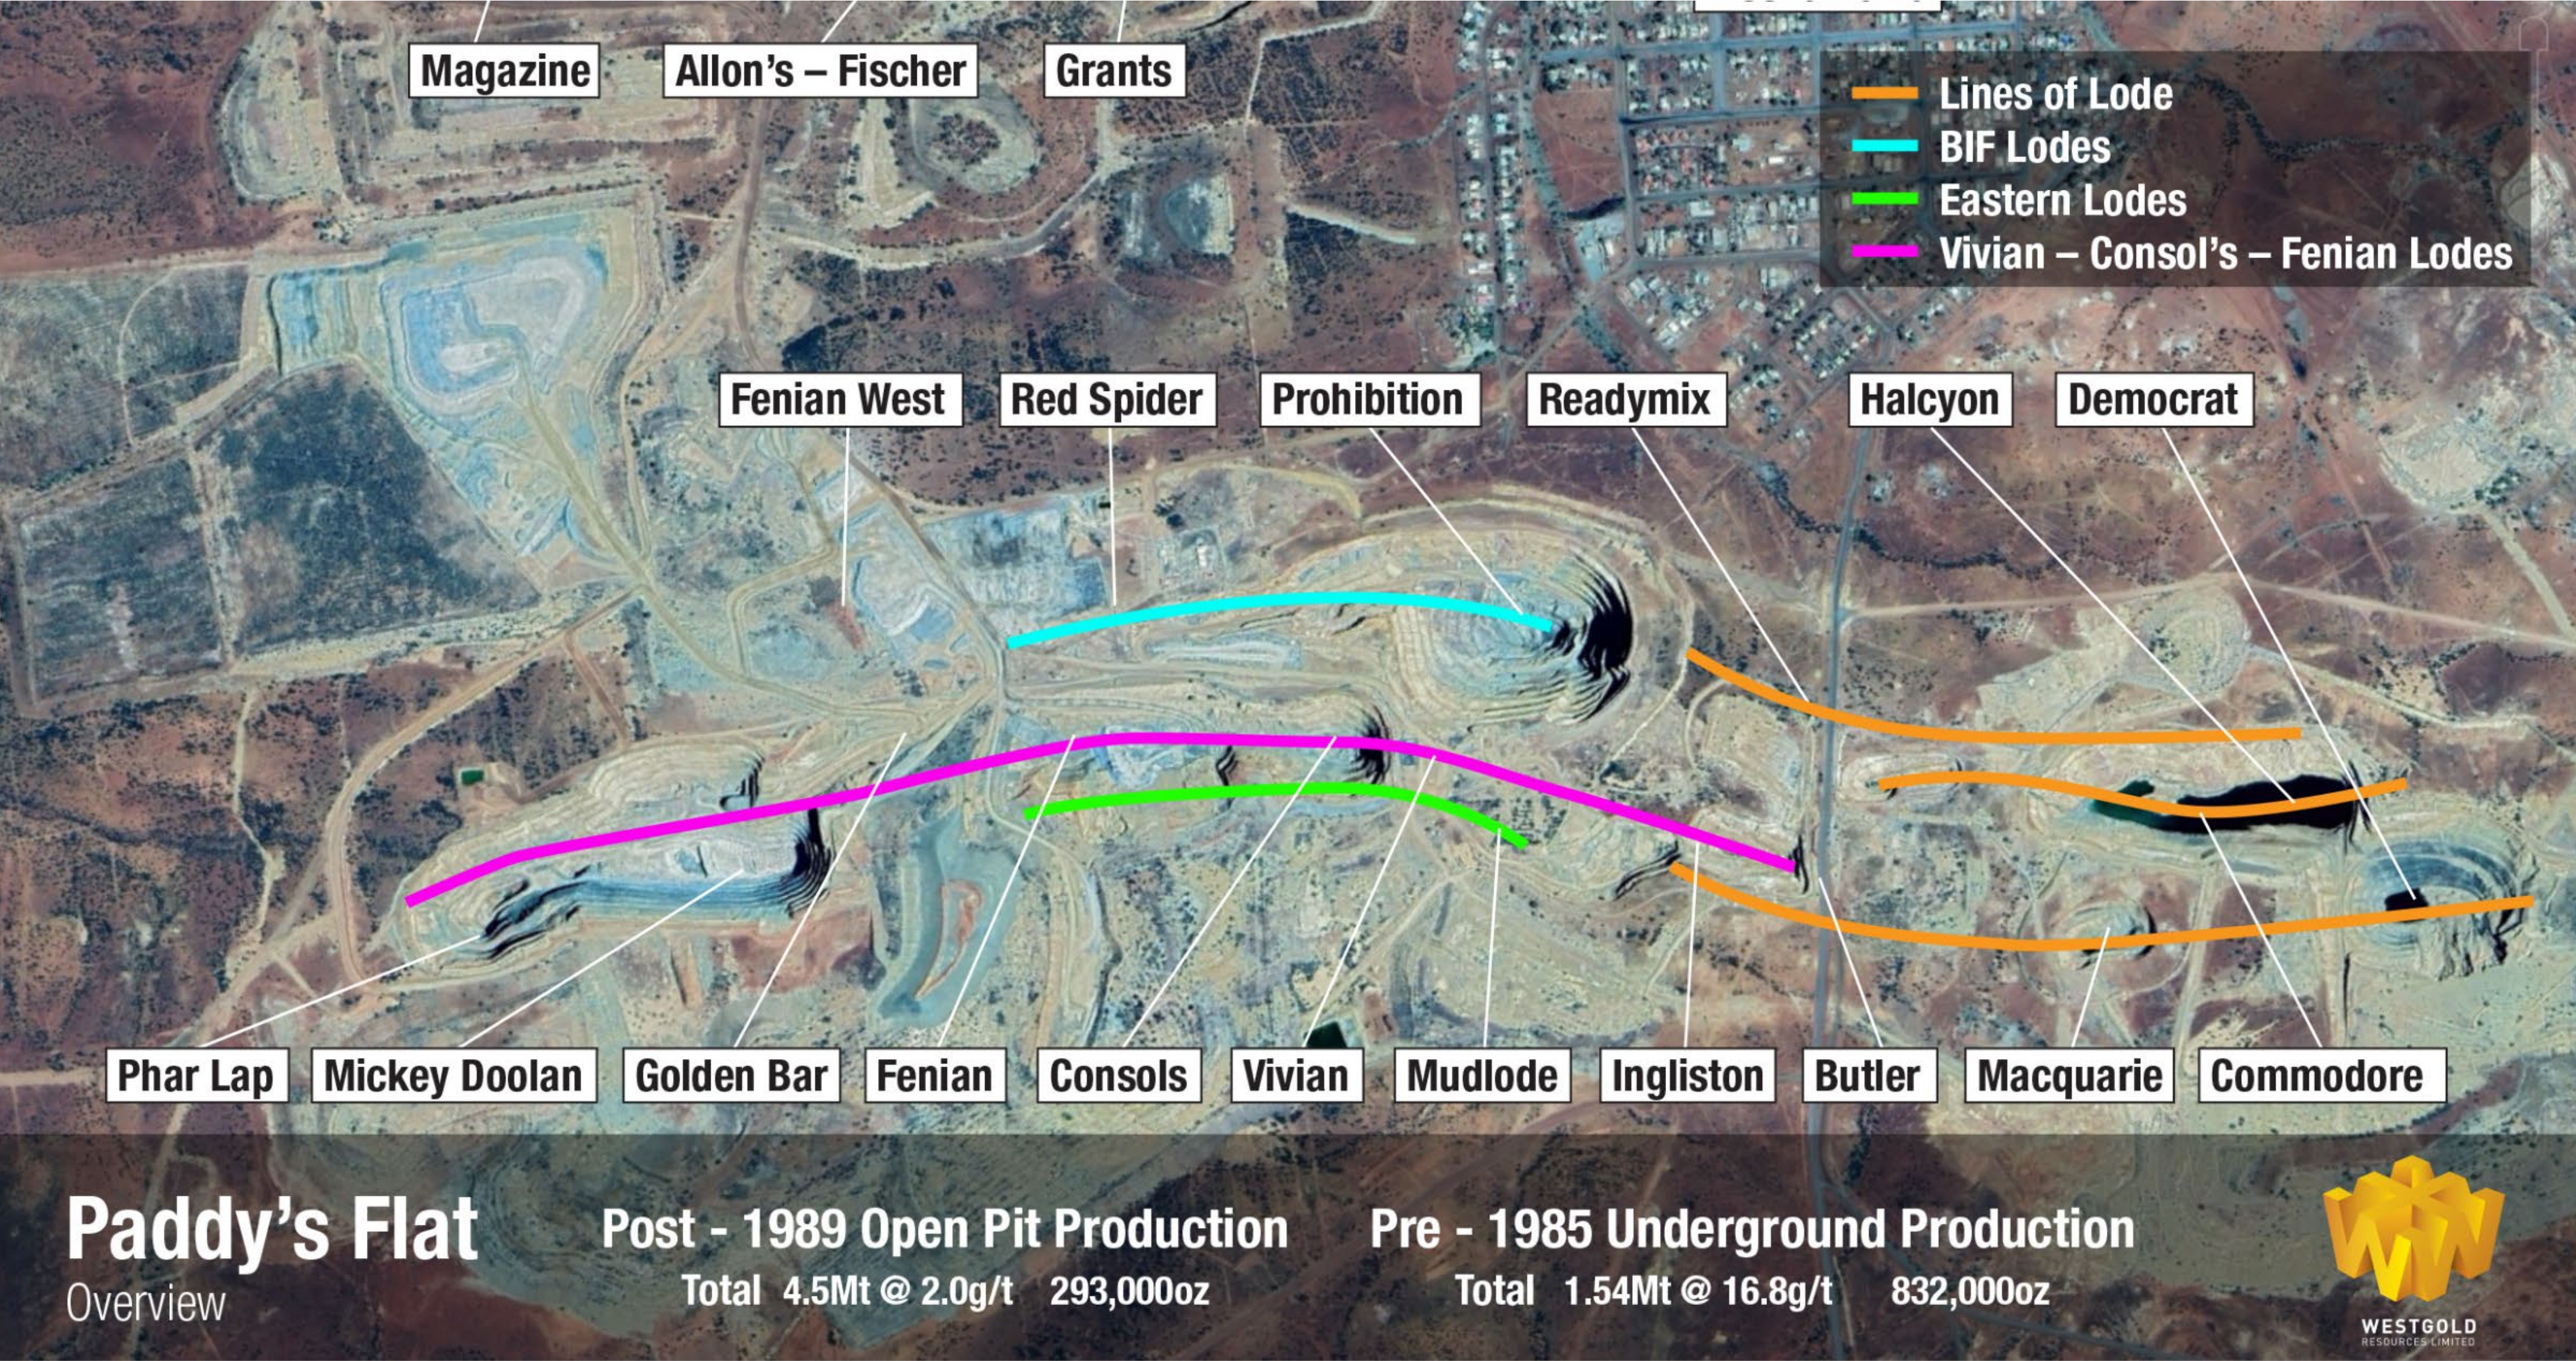

1. Refer to ASX release titled "Fletcher Exploration Target Defined at 1.6 - 2.1Moz Au" – 16 September 2024

**A multitude of
organic growth
options...**

Reedys- within 50km of two Westgold mills

Paddy's Flat – 3.0

Exploration can deliver optionality and value.

Increasing investment in exploration

... enhances the rate of discovery and resource conversion

Growth in exploration expenditure

Exploration investment growing with capability & success

This investment has delivered:

- **613koz** resource addition in FY24
- **365km** of cumulative drilling in FY24
- Substantial increases in group Reserve and Resources post depletion including:
 - **107% increase** in Bluebird-South Junction Reserve since August 2024
 - **91% increase** in Starlight Mineral Resource since June 2024

Westgold – A Miner who Drills

Top 5 ASX / Top 10 TSX Producer

Production of **+400,000 ozpa** in FY26

Unhedged

One of Australia's **largest fully unhedged** gold producers

Financial Strength

Robust balance sheet with **\$300M debt** facility

Portfolio now has scale

Merger with Karora establishes platform that can be scaled & optimised for FCF

Diversification

Operating in **two** of Australia's most abundant gold fields

Investing in Growth

Large organic growth pipeline

Shareholder Returns is Our Focus

Focus on FCF and returns to shareholders not scale for scale sake

Thank you.

Drill on!
